

*Mark Thomas*

Registered dairy producer (250 cows), champion breeder and Fight Bac user for 6+ years

**“Fight Bac reduced our  
SCC averages by more than  
50%. I’d recommend it to  
anyone who’s serious about  
reducing mastitis.”**

Fight Bac® aerosol teat disinfectant is research proven to perform better than teat dips. Its non-irritating formula keeps teats in top condition, is easy to use, and cost effective because nothing goes to waste.

Get serious about mastitis control. Visit [www.FightBac.com](http://www.FightBac.com) for more information and call **1-800-656-6007** to order Fight Bac – the smarter way to disinfect teats.
